

# Challenger Learning Center of Kentucky

## Photo Release Form

We have recently updated our web page to include photos taken during your visit. However, we need permission from your school before we can use photos of your students.

To view examples of how your school's photos will appear go to our web page at [www.clcky.com](http://www.clcky.com) and click on "Photo Gallery". The photos will be categorized by school district then by individual school name. Student's names will not be included on the web page.

After the photos are posted to the web page the students can print them, save them to their home computers, or send e-cards to their friends showing them in action during their visit at the Challenger Learning Center.

Please fill out the bottom portion of this form and fax it along with your crew manifest to us before your scheduled date.
